3 options

Write a plot   write a story   write a rough idea

Click write a story- same for all options. For story dont make uploading file optional but for rough ideas and plot make it optional as it may be just a paragraph or few sentences

Details

Title

Genre

Short description

Upload file (optional)

Picture - format this similarly to the collaboration page

                        Save

Click view ideas

  Filter on left   All ideas appear- just like the collaborate page
(like where genre is on other pages)
