

Quincy Anesthesia Associates (QAA), a private anesthesia practice in Quincy, Illinois, is seeking an anesthesiologist to join our team for a position in an outpatient surgery center. The position will be no call, weekends or holidays and 40 hours per week or less. We will be happy to entertain a full-time, part-time or Locums Anesthesiologist for this position.

QAA has a five-decade history with the Blessing Health System and enjoys a collegial working relationship with the surgeons, staff, hospital employees, and hospital administration. QAA is the sole provider of anesthesia services at Blessing Hospital and is a valued partner with hospital leadership. Services provided include hearts, neurosurgery, vascular, orthopedics, trauma, general, ENT, GI, OBGYN and a host of other cases from ASA1 – ASA4.

Blessing Hospital opened a brand new \$20 million outpatient surgical center in September of 2021 and expanded the number of operating sites from 10 to 15 in the last 6 years. QAA is adding a second outpatient surgical center to the QAA portfolio in partnership with Blessing Hospital.

This surgery center is in Hannibal, MO which is a charming historic river town with a thriving Main Street filled with quaint restaurants, shops and museums. It is the birthplace of Mark Twain and boasts the title of “America’s Home Town.” It is located just 20 miles south of Quincy and a 2 hour drive to downtown St. Louis.

Our recent growth has been unprecedented in the history of medical services in our area. Therefore, we must hire an additional anesthesiologist to keep pace with our growth.

Our compensation package is competitive with a salary starting in the \$400s. We can tailor a package based upon the individual needs of the candidate and formulate your work schedule based upon vacation parameters, long weekends, and other PTO needs. We can also offer opportunities for additional income earning through call coverage, if so desired.

A comprehensive benefit package including family health, a generous contribution to retirement, and other benefits will be tendered to the successful candidate.

Quincy, Illinois is only one of eight cities nationwide to receive the prestigious “All-American City” award twice, based upon quality-of-life considerations. Quincy’s neighborhoods showcase outstanding examples of historic homes and architecture. The Blessing Health System has been named as “The Employer of the Year” and Quincy has been named as the 8th best small city to live and work by Forbes Magazine!
